## **Welcome to the IRWA Designation Program!**

Earning the IRWA Designation is both a journey and a destination. For experienced and skilled right of way professionals like yourself, your designation validates your skills and demonstrates your proficiency in your chosen discipline. The IRWA R/W-URAC Certification Program is a structured process designed to provide you with the knowledge and tools that will help you advance in your profession.

### **Stay Ahead of the Curve**

Today's marketplace is crowded and complex, and individuals and businesses that don't stay ahead of the curve often risk being left behind. To develop a solid, competitive advantage—and to remain ahead of that curve—you can rely on IRWA Designation to prepare you and your company for whatever lies ahead.

### **The Only Name That Counts**

IRWA stands for the highest standard of excellence. As such, IRWA Certification is a rigorous process that will work to differentiate you from other professionals. Our high standards have enabled us to create a distinction that is universally respected by customers, businesses and colleagues across most disciplines.

### **The Right Stuff**

Companies with employees that are IRWA certified report impressive results. Certification can win often win business in competitive situations. Perhaps that's because customers prefer doing business with IRWA -certified staff rather than those without the stamp of Certification. Certified professionals often make better employees. They tend to exhibit higher productivity, reduced learning curves, increased technical competencies, lower error rate, and a higher level of job satisfaction.

### **Individual Benefits**

In addition to gaining new skills, enhancing your knowledge base and adding to your list of credentials, employees can expect to attain a wide range of workplace benefits. These may be in the form of peer recognition or demonstrated financially through a promotion, pay raise or additional perks.

### **Benefits to Employer**

Employers who support continuing education for their staff can expect significant benefits! They will be rewarded with higher employee retention, increased productivity and a boost in employee morale and confidence. Retaining experienced staff is an enormous competitive advantage for any employer.

### **Overview: How the Program Works and Purpose of this Guidebook**

This handbook is designed to serve as a reference tool to help simplify the various requirements. Many of the forms you will need along the way are included. Some can be used directly from the handbook and are linked to the pages included in this Handbook Webpage.

To get started, we encourage you to read the requirements outlined in this program guidebook and application packet. If your experience appears to qualify, submit your candidacy application to IRWA Headquarters. If you are uncertain about any of this process, please contact your local Professional Development Committee Chair (PDC Chair). ## R/W-URAC Certification Program Recertification

---

### International Right of Way R/W-URAC Recertification

#### Why do R/W-URAC's need to recertify?

The International Right of Way Association believes that all professionals holding the R/W-URAC Certification continue their personal and professional development through a combination of continued work experience and continuing education. Therefore, the IRWA requires all R/W-URAC Certified members to recertify every 5 years to maintain their professional designation.

#### What is required to recertify?

The R/W-URAC recertification requirements consist of 75 CEUs earned through attendance or facilitation of courses or seminars that have been approved for credit by the IPDC. Of these 75 CEUs, a minimum of 24 must be earned by course attendance as a participant or facilitator at an IRWA course. This includes the 8 CEUs earned through meeting the Ethics Course requirement.

R/W-URAC Certified members may receive up to 24 CEUs of recertification credit for paid attendance at IRWA's International Educational Conference.

IRWA Chapter seminars, meetings, regional forums and any non-IRWA program *must* be submitted to the IPDC for recertification credit approval. It is advisable that approval is obtained *before* the presentation or at the very least, before recertification is due.

Approval letters and proof attendance/completion must be kept in designee's records and *must only* be submitted to Headquarters as supporting documentation along with the recertification application.

The recertification deadline is 5 years from the initial designation and applications will be accepted by Headquarters up to 1 year before the due date.

R/W-URAC Certified members taking an IRWA course for recertification credit are not required to take the course exam.\* However, participants taking an IRWA course for Continuing Education or other type of credit for a third party, license renewal or other purposes may be required to take the course exam.

\* Exams **must** be taken for any online course or seminar to obtain recertification credit.

## R/W-URAC Certification Program Recertification

- Environment,
- Management/Supervision,
- Property Management and
- Real Estate Law

Course content must cover a minimum of 70% of IRWA subject matter to be awarded R/W Designation Program recertification credit.
